

TABLE 2A. General Statistics by Geographic Areas and Type of Operation: 1963 and 1958

(In general, contractors prepared one report for all oil and gas field services performed in the United States. These reports were classified on the basis of the principal kind of work and the principal')

State or district in which the service was performed)

Division, State, and type of operation	1963											1958			
	Establishments		All employees		Production, development and exploration workers			Value		Cost of supplies		Receipts for services and equipment			
	Total	With 20 employees or more	Total	Payroll	Total	Man-hours	Wages	in mining	(\$1,000)	urchased energy, and contract work	Cost of purchased machine and equipment installed	(\$1,000)	Capital expenditures	(\$1,000)	All employees (number)
